## BASEBALL ON COMING FOURTH WILL BE MOST EXCITING

Leading City League Teams Pitted Against Each Other for Next Sunday and Monday—Doubleheader on Both Days—Admission to Grounds Free to Standard Subscribers and Their Families.

Next Sunday and Monday the baseball fans of Ogden will be treated to some real baseball.

The Walk-Overs and the Peery-Kniseys teams, the only teams that have been able to trim the Never-Rips, the champions of the league, will cross bats with the Never-Rips, the Eagles and Glasman Bowlers. The last two teams have improved to such an extent that the bets are even as to the winner of Sunday and Monday's games. There will be two seven-inning games each day, and the admission to the grounds and to the bleachers is free to all Standard Subscribers and their families.

In order to help the league clubs

and to keep Ogden people home and to have a sane Fourth of July, the Ogden Standard has purchased the general admission to the grounds and bleachers and the only charges reserved in 10 cents for the grandstand and auto seats. There are only 600 grandstand seats. Therefore more people must take to the bleachers or to the grass plot back of the diamond. No fireworks will be allowed on the grounds.

Bring your children and have a sane Fourth of July at the Standard's expense. On Friday there will be printed in the Standard two coupons each good for your family at Sunday and Monday's games.

## HARBERTSON, WHO MEETS JONES TONIGHT

Jack Harbertson of Ogden and David Jones of Malad, Idaho, are to wrestle tonight at the Orpheum theatre for the middleweight championship of the world, of which Harbertson is the present holder.

Judging from the records of both men, though Jones has only been in the professional ranks for a comparatively short time, the bout should be the most interesting one that has been staged here in several years. This is indicated by the fact that Jones recently defeated Frank DuCray who put up what was considered by the local fans to be the cleanest and fastest bout of the past year with Harbertson.

The local man was within the weight limit yesterday when a num-

ber of fans witnessed one of his workouts and their opinion was that he was in condition to put up a great battle. He is confident of keeping the title, though he expects a hard struggle. Jones is encouraged by his success against DuCray and also against Harbertson whom he defeated several weeks ago in a handicap match. Both men have plenty of backers and, in addition to the large number of Ogden lovers of the sport, a big party of Jones' friends from Malad is expected to be at the ringside.

Two fast preliminaries will be staged, the first a bout between Rudy and Preshaw, and the second, a battle royal, between five other local wrestlers. The program will begin at 8:30 o'clock.

## MONEY ORDER BLANKS STOLEN FROM ONE OF SUB-STATIONS

Money order blanks were stolen from the postoffice sub-station in the McIntyre drug store yesterday and Postmaster W. W. Browning has issued a warning to local business houses to be on the lookout for them. The blanks are numbered from 61,909 to 62,000, inclusive.

About a week ago, a government money order stamp was stolen from sub-station No. 2, located at the Daniels' grocery store at Thirty-first street and Washington avenue, and both thefts are attributed by the local post-office authorities to one person.

## KEPT PIGS NEAR HIS HOME AND IS ARRESTED

Sam Onello, the Italian proprietor of a fruit and commission store on Washington avenue, was arrested yesterday on complaint of Sanitary Inspector George Shorten, for keeping a number of pigs at the rear of his

residence, 2227 Washington avenue. He pleaded guilty in the municipal court this morning to the charge of maintaining a nuisance. In telling his story, he said that he obtained the pigs to sell, not intending to keep them any length of time, but that the prospective purchaser said, "Wait a few days 'till I getta da mon and then I getta da pig." "But," he continued, "he never come yet." He promised to refrain from bringing pigs into the city under similar conditions in the future and to keep his premises clean and was given a suspended sentence.

Ray Butterfield, an 18-year-old youth, pleaded guilty to riding a bicycle on the sidewalk and was fined \$5. John Corn, a "moocher" drew a five-day jail sentence. J. G. Pader and Hugh O'Hagen were each given a ten-day sentence with the usual alternative, after pleading guilty to fighting. They were arrested last night on lower Twenty-fifth street by Officers Sullivan and Kelliher. Robert Johnson and Carl Johnson, charged with drunkenness, had their cases continued and S. Sakata forfeited \$100 bail. Sakata was arrested Monday night by Officers Peterson and Kelliher on the charge of selling liquor without a license.

## WHEN LIBERTY BELL ARRIVES HERE ON SUNDAY, JULY 11

A special meeting of the committees arranging the program that will be held in connection with the bringing of the Liberty Bell to Ogden on Sunday, July 11th, was held last night at the city hall and the general plan for the big event was discussed. It was approximated that 25,000 people of Ogden and northern Utah would see the famous relic during its stay in Ogden and the arrangements for the celebration are to be made with a view to caring for that number.

Supt. Edwin Hineckley, of the State Industrial school is chairman of the arrangement committee and Supt. J. M. Mills of the city school is acting as secretary.

According to the general plan for the celebration, the school children of the city will be assembled at different points to be announced later and the older people will meet at the City hall park, just prior to the arrival of the bell. A parade, led by the Grand Army veterans, the W. R. C., Ladies of the G. A. R., the Spanish War Veterans and their ladies, will be formed, with the school children following the army organizations. The line of march will be west on Twenty-fifth street to Wall avenue and south to Twenty-sixth street, then west to the O. S. I. commissary track, where the bell is to be placed.

The official program at the railroad yards will be very brief, consisting of an address on behalf of Ogden by Judge James A. Howell, a response by Chairman Seger of the Philadelphia committee and music by a local band.

## THREE HUNDRED KILLED IN WRECK

Laredo, Tex., July 1.—Three hundred Caranza soldiers and their wives and children were killed and several hundred injured in a wreck of a military train near Monte Morelos, between Tampico and Monterrey.

according to an American who arrived here today from the interior. The accident took place ten days ago, he said.

The American traveler's story was the first intimation here of the wreck, but this was attributed to the censorship, which has been extraordinarily strict recently. The train was heavily laden and proceeding at full speed when it left the track, the American said, and tumbled into a small canyon.

Train Was Crowded. The soldiers with their wives and children and scores of women camp followers were being sent from Tampico to Monterrey. Men, women and children crowded inside and others on top, while many were slung under the box cars which composed the train.
